

VERIFICATION

I am the translator of WO 2004/091848 PCT/EP2004/003943 **“High-pressure Coupling Device for Directing Media through Quick-change Systems”** (50456_eng.doc), a patent which was filed in the German language. To the best of my knowledge, the attached English language translation is a true and accurate translation of the noted German language document.
